Keeping PACE with Energy Efficiency in Michigan

Featuring **Andy Levin**, Managing Partner, Levin Energy Partners & President, Lean & Green Michigan

Looking to upgrade your facilities but concerned about the expense, lack of capital and lengthy return-on-investment?

Join us for this panel discussion on how to overcome these barriers and achieve an immediate improvement in cash flow through Michigan's PACE program, tax credits, incentives, utility choice programs and new energy efficient technologies.

Thursday, April 23 from 3-6 p.m.
Lansing Community College, West Campus
5708 Cornerstone Dr, Lansing, MI 48917

3-3:30 p.m. Event Registration & Networking
3:30-5 p.m. Panel discussion, Q & A
5-6 p.m. Networking Reception (Refreshments provided)

The panel, moderated by **Scott Ringlein**, CEO & Founder of *The Energy Alliance Group of Michigan*, includes:
